

Lewis & Klark Guitar Duo

Lewis and Klark jazz / instrumental guitar duo are from Buffalo, NY and they have been performing together for over 20 years. They are a true "American Guitar Duo", with inspiration and influences from many styles and artists from around the world. They showcase quality guitar play over quantity and a melody of guitar voices over excess improvisation. "Sometimes what you don't play makes for better music".

Lewis and Klark record at LKPro.com, Inc. in Buffalo, NY. Lewis and Klark live performances feature Bob Luterek on a Taylor T5, Gibson 135 and Godin nylon guitar with a Roland guitar synth. Rich Kallay plays a Godin Multiac nylon string guitar and Martin nylon string acoustic guitar. Both Bob and Rich use Bose L1 Compact systems to produce their clear quality sound.

Robert Luterek

Bob Luterek has been playing guitar for longer than he would like to admit, around 40 years. In his own words "Rich and I compliment each other's play and it rises to a higher level each time we play together".
